# WELCOME

## WELCOME TO HI-TEC OILS TOOWOOMBA SPEEDWAY

Welcome to Hi-Tec Oils Toowoomba Speedway for the Ian Boettcher Race Parts SSA National Production Sedan Title.

At the close of nominations, a staggering 131 drivers have nominated for this event making it the second biggest Australian Title in the sports history. The biggest title ever held in terms of car count was the Street Stock Title at Redline Raceway in Ballarat in 2016 when 137 cars started the event (139 nominations). This event is easily the biggest Production Sedan Title in history and its attracted drivers from every part of the compass here this weekend.

Kyle Sayer from Western Australia is the defending Champion and has a chance to become the first ever Production Sedan driver to complete the three peat. This is the third time Queensland has hosted the National Production Sedan Title after Allan & Selina Jennings single handily brought this national division to Queensland after attending a National Title in Leeton in 2011. Their dedication and passion for the Production Sedan Title ultimately saw the division kick off in Queensland 12 months later and then host the first National Title in Gympie during the 2013/14 season. That event was won by Tim Atkin who returns to competition this weekend. Kingaroy then hosted this title a few seasons ago when Matt Smith raced a Centura to victory on that occasion.

Former National Production Sedan Champions in action this weekend are Stephen Laidlaw (VIC) who has contested all 22 National Production Sedan titles, along with Joel Berkley (QLD), Chris Lack (VIC) & Tim Atkin (QLD). Its truly a remarkable field of competitors this weekend and we'd like to sincerely thank them all for travelling to be part of this event this weekend.

Also on the program this weekend are Legend cars on Friday night, along with a mega field of Super Sedans on Saturday night for the Graham Pascoe Memorial. The "GP53" is its know has become one of the crown jewel super sedan events in the country paying \$5,300 to win along with a further \$5,300 up for grabs in lead lap bonus prize money. (\$100 per lap for the leader of the every lap in the 53 lap feature race).

If that isn't enough, 26 crazy Demolition Derby drivers are ready for the second ever Queensland vs New South Wales State of Origin. Its 13 on 13, no holds barred – team demo derby event and if last year was anything to go by, this will be nuts. The Maroons won this event last year in Toowoomba, but the Blues have assembled an almighty line up to take on the Queenslanders this weekend and want revenge.

On behalf of Speedway Sedans Australia CEO Greg Lynd in conjunction with the President of Speedway Sedan Queensland Allan Jennings, we are truly grateful to welcome everyone here this weekend. Massive thanks to the entire team at Ian Boettcher Race Parts for sponsoring this event. Not only have that financially contributed to making sure this event is a raging success, but they are also giving away a \$7,500 Speedway Sedan Starter Kit this weekend. Thanks also to Immortal Rollcages, Dirt Track Fibreglass, Aken Print, Signs & Designs & Elite Shock Services for contributing that this amazing prize that either a fan or driver will win this weekend. If you haven't already entered the giveaway, make sure you get your entry in before its drawn at 7pm on Saturday night (26 April 2025).

Sit back and enjoy the show, because we all truly believe your about to witness a remarkable weekend of racing here at Hi-Tec Oils Toowoomba Speedway.

The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

## **GETTING THE LIGHTS BACK ON TRACK**

An elected Dutton Liberal National Government will deliver lighting upgrades in partnership with the HiTec Oils Toowoomba Speedway.

Federal Member for Groom, Garth Hamilton said he had been working with the Speedway to develop a plan to make the growing facility even better.

"Today we commit \$900,000 to upgrade lighting and future proof this growing economic asset.

"I am pleased to announce that a future Dutton Liberal National Government will fund upgrades that will mean more events and more visitors to our region."

"This will be good for growth, jobs and local small businesses struggling under Labor," Mr Hamilton said.

Speedway Manager Ryan Harris said the funding would make a real difference for both competitors and fans.

"These lighting upgrades are essential for us to keep improving the experience for everyone who comes through our gates," Mr Harris said.

"Better lighting means better visibility, better racing, better streaming, and the ability to host more high-quality events."

"Our speedway is growing, and we want to make sure we're offering the best possible venue for drivers and fans.

"This commitment is a game-changer for us, and we're excited about what it means for the future. We're grateful for Garth's support and belief in our venue."

## **LAST MEETING WRAP UP – 11 & 12 APRIL (RED HOT SHOOTOUT)**

*Written by David Budden*

Sprintcars returned to Hi-Tec-Oils Toowoomba Speedway on Friday night for the NuTrend Homes Red Hot Shootout which doubled as the Grand Final of the Queensland Speedway Spares Ultimate Sprintcar Championship. James McFadden, who has not been back to Toowoomba for 10 years took a commanding win in the Preliminary A-Main. It was a real pleasure to have the now 3 time Australian Champion and the entire team back in Toowoomba. Matt Dumesny and Lachlan McHugh joined him on the podium. Jamie Veal and a very much in form Nick Whell rounded out the top five. When all the points were tallied up Lockie McHugh topped the points in the Ultimate Sprintcar Championship followed by Luke Oldfield and a consistent Nick Whell proving Brook Tatnell's theory that you don't have to win every race you just have to finish them consistently.

The Sprint Shack Lucky Dog Dash for the top eight drivers in the Series who have not finished on the podium this summer, saw Kaydon Iverson take the win ahead of Callum Walker and Charlie Bowen, followed by Nick Whell, Richard Morgan, Tim Farrell, Mitch Gowland and Anthony Lambert rounded out the top 8 in a very classy field.

Max Clark and Nathan MacDonald shared a brilliant race in the final round of the Toowoomba Steering and Suspension Modified Sedan Smack Down Series. The two raced side by side for a number of laps while swapping the lead several times with Josh Harm in hot pursuit. At series end and after five gruelling rounds that produced some outstanding racing from October to April, Max Clark was crowned series winner from Nathan and Shane MacDonald. Robert Mazzer was first across the line in the Wingless Sprintcars from Nick Potts and Stuart Jefferies third. Turning our attention to Saturday night Daniel Cassidy won the Late Model Queensland Title from Alex Sweeney and Brad Pascoe.

Lachlan McHugh secured his first NuTrend Homes Red Hot Shootout win absolutely in control, totally dominating the 35-lap feature event with James McFadden having to settle for second with Michael Stewart rounding out the podium Marcus Dumesny crossed the line fourth while current Queensland Champion Nick Whell completed the top five in an action-packed event.

**GP53 HEADS TO THE HIGH BANKS FOR THE FIRST TIME!**

*Written by Luke Nichols*

The Graham Pascoe Memorial is in honour of the late Graham Pascoe, who was the father of Matty Pascoe and Zac & Brad Pascoe’s grandfather.

Graham sadly passed away a few years ago with the event established as a legacy to the Pascoe family.

The GP53 was held at Archerfield until it closed in 2023, last season the event was held at McCosker Gladstone Speedway, and this season the GP53 will make its way to Hi-Tec Oils Toowoomba Speedway for the first time.

**GP53 HONOUR ROLL**

2024:	1st Matt Williams	2nd Brad Pascoe	3rd Matty Pascoe
2023:	1st Brad Pascoe	2nd Matty Pascoe	3rd Sean Black
2022:	Washed out		
2021:	1st Matty Pascoe	2nd Mick Nicola Jnr	3rd Ash Bergmeier
2020:	COVID-19		
2019:	1st Matty Pascoe	2nd Sean Black	3rd Justin Randall

This seasons GP53 will see thirty two drivers will travel from far and wide to battle it out for the \$5300 winners prize.

Twenty two Queenslanders, five Victorians, three New South Welshmen, a Tasmanian, and a South Australian make up the thirty two car field.

The field is absolutely stacked with a whopping seven National Champions in the field including current National Champion Joel Berkley, former National Champions Darren Kane, Matty Pascoe, Mick Nicola Snr, Callum Harper, Steve Jordan and Trent Wilson.

Every current state champion will be in the field, as will ten drivers who have already gone to victory lane this season, including Darren Kane and JJ Hamilton who are the only drivers to have tasted victory at Toowoomba this season.

Matty and Brad Pascoe will be the only former GP53 winners in the field, and will be looking to win the event for a third, and second time respectively.

Tyson Moon, Mick Nicola Jnr, Brock Atkins and Todd Atkins have all been victorious in big events this season, and will all be right in the mix come feature time.

Drivers will contest two rounds of heats with the top ten in points heading to the gold/silver/bronze shootout. The fastest driver will earn \$500, and start from position ten on the grid. The fastest qualifier will select who starts ninth, and so forth to set the top ten for the fifty three lap main event.
