The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

The winner of the dash will go to victory lane to do the marble draw for starting positions in the main event. The marble draw will contain numbers 4, 6 or 8. If a 4 is drawn, the top 4 will be inverted with positions 5 & back, starting as per points / dash finishing positions. If an 6 is drawn, the top 6 will be inverted with positions 7 & back, starting as per points. If an 8 is drawn, the top 8 will be inverted with positions 9 & back, starting as per points.

Last Chance Showdown (B-Main): 6 to 15 laps

The Last Chance Showdown will be a minimum of 6 laps to a maximum of 15 laps or 15 minutes – whichever is the shorter. The top four finishers will determine positions 17-20 in the Main Event. Main Event (A-Main): 30 laps

Sponsored by **Cush Clothing**

Starting order is based on points once the dash inversion has been completed. There is no A Main Lane Choice for pole car given the starting order is based on the marble draw inversion.

SPEEDCAR SCENE

Written by Barry Lane

The Speedcar Heritage Series continues tonight with a race to honour the late John Dean. He had a long career in speedcars, super-modifieds and sprintcars and after his racing days were over, he spent many years in both sprintcar and speedcar administrative positions. His contribution to both sections was immense. He passed away in April of this year. His grand-daughter Hailey Ferguson will contest the speedcar events tonight in the family # 99, the number John carried through his career.

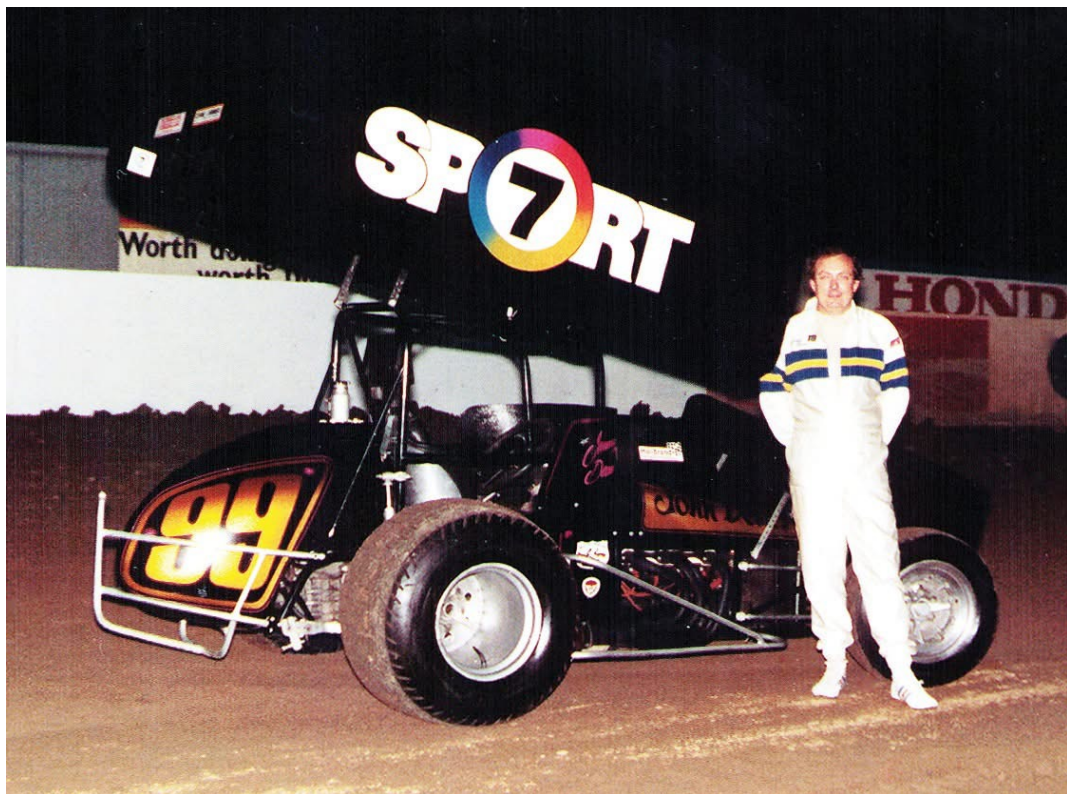

Bailey Leeson (# 81 Advanced Machining Spike/Stanton SR11X) comes into tonight as a last start winner taking out the feature race at Maryborough a fortnight ago. He has only raced a speedcar on three nights and each night he has been on the podium. An amazing feat.

Harry Stewart (# 7 Titan Garages Spike/Esslinger BB7) won here back in November when he took out the Blair Shepherd Memorial race from the back of the field. This format proved very popular with the fans and will likely be used again as the Toowoomba track is conducive to good racing with plenty of room for passing. Unfortunately, Stewart's night in Maryborough did not end well when he rolled after a component failure.

The O'Connell brothers, Casey # 23 and Cody # 31, line up tonight after a good showing at the temporary Napa Speedway in Adelaide during the V8 Supercars Grand Final. Both are drivers who leave nothing on the table in their endeavour to win.

Scott Farmer (# 22 GSA Advanced Machining Spike/Stanton SR11X) opened the season with a win and was a fast finishing second to Stewart in November. This guy is always fast and knows how to find the front and will not disappoint.

If determination counts for anything second-generation racer Tom Clauss (# 45 King/Chev) should be up front. His equipment is well prepared and has shown good form so far this season. Others to watch are Luke Williams (# 17), who led many laps of the Shepherd race, Darren Vine (# 6) and Scott Doyle (# 8) who are all in Esslinger SOHC powered cars.

We are back here at Toowoomba on January 10 for another round of the Heritage Series. A Happy and healthy 2026 to everyone. Enjoy your night at the skids.
