The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

# AROUND THE GROUNDS – 6 DECEMBER

Written by David Budden

There's something for the whole family to enjoy this coming Saturday night at Hi-Tec-Oils Toowoomba Speedway with a great mix of Sedan and Open Wheel Action. A night of Speedway not to be missed that won't disappoint. There are over 135 nominations across all six classes so competitive racing is assured, it's one huge night of Speedway as round six of the 2025/26 McCosker Super Sedan Series rolls into town on December 6th. Sean Black makes a welcome return to his home track and will certainly be one of the front runners to watch with interest. Trent Wilson is another driver on the impressive start list and if you include Todd Atkins along with JJ and Rob Hamilton it's going to produce some close and entertaining racing as only Super Sedans can do. It's an impressive list of nominations which includes Brad Pascoe who capturing Queensland Title glory last Saturday night in Rockhampton. The next generation of Super Sedan drivers will also be chasing their first feature wins of the season Mitchell Gee, Zac Pascoe and Hayden Brims are all set to impress on Saturday night.

The 360-LS Sprintcars find their way back to Toowoomba's high banks as part of the build up to the New Light Media Australian Title being held on the 13th and 14th of March, everyone will be chasing valuable laps to give them the best chance of a place in the feature race come March. Holly Russell from Auckland, New Zealand makes her 360-LS Sprintcar debut. Holly came to Australia chasing her dream in the high-powered world of Sprintcar racing driving for Wildheart Unicorn Motorsport the team owned by Paul and Gosia Kidd whose goal through motorsport is to champion talented women and give them an opportunity to start their careers. Holly is ready for the challenge in the 360-LS Sprintcar after numerous rain outs and bad weather has kept her out of the driver's seat. The weather is looking great for the weekend for her to kick start her career in Sprintcar Racing in Queensland. Russell is no stranger to racing at the top level starting in Motocross at age 4 where she finished 3rd in the New Zealand Motocross Championship. Moving to Modkarts at age 7 she won two more New Zealand Titles and then to Stadium Buggies winning another New Zealand Title. In 2024 Holly was given the opportunity to drive a Midget for BSL Racing at Western Springs plus various other tracks around the North Island finishing 3rd in the Aoteroa New Zealand Title at Baypark Speedway in Tauranga. After a conversation with Paul Kidd, Holly was offered a drive for the Queensland Sprintcar season.

Jacob Jolley currently leads the Club Championship; he was recently crowned the New South Wales Champion in Grafton. Anthony Vanderreyden was in good form also at the recent NSW Title and will be hard to beat come Saturday night. Darren Jensen makes a welcome return to 360-LS racing as son Kye has made the move to the open 410 class. Noah Ball is back for the Toowoomba round after having engine issues towards the end of last season while crowd favourite Libby Ellis is in the mix and should make for some entertaining racing.

Modified Sedans are on Saturday's nights program for round 2 of the Toowoomba Steering and Suspension Smackdown Series. It's a huge season for Modified Sedans at Hi-Tec-Oils Speedway with the Toowoomba Steering and Suspension T-Bar Nationals on the 30th and 31st of December along side the Enzed Speedway Sedans Australia National Title on April 4th and 5th in Toowoomba. Aidan Raymont currently sits on 147 points and leads the series points going into round 2. Shane Macdonald is in good form after a win in Gladstone recently while in Kingaroy he qualified front row and finished 3rd. Macdonald will be one to watch on Saturday night as he sits in second in the series on 143 points just one point ahead of Max Clark on 142. That series is now starting to warm up as drivers and Modified Sedan fans look forward to what lies ahead.

It's been a slow start to the season for Street Stocks who have a reputation of producing close racing especially after having to contend with three washouts so far this summer. Drivers and teams will be excited to finally go racing in the Bully's Off-Road 4WD Dirt Masters Series when it gets underway on Saturday night. AMCA Nationals and the Wingless Sprintcars return to the high banks for the King of the Ring 35 lap feature race thanks to Hackett's Discount Tyres.

So sit back and enjoy what is sure to be another great night of racing at Hi-Tec Oils Toowoomba Speedway.
