The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

ABOUT PINK NIGHT & OUR FUNDRAISING PARTNERS

Pink Night is about continuing the fight against Breast Cancer and raising much needed funds to purchase new equipment for the BreastScreen Queensland Toowoomba Service through our fundraising partners the Toowoomba Hospital Foundation.

Toowoomba Hospital Foundation supports the community by helping fund equipment, services, and programs as well as staff development, research, and scholarships for Darling Downs Health.

BreastScreen Queensland Toowoomba Service (located at the Bernoth Centre in Ruthven Street) is the Darling Downs branch for BreastScreen Queensland who have been providing Queensland women with free, quality breast screening and assessment services since 1991.

Did you know:

- Breast cancer is the most commonly diagnosed cancer in Australian women
- If you're a woman, your risk of breast cancer increases greatly after the age of 50
- 9 out of 10 women diagnosed with breast cancer have no family history of breast cancer
- Breast screening can find breast cancer early, before it can be seen or felt by a woman or her doctor
- Finding breast cancer early means there are more treatment options
- Breast screening has a normal result for most women, with no cancer found

SPEEDCAR SCENE

Written by Barry Lane

Images by Matthew Paul Photography

Tonight, speedcar racing in Queensland celebrates a major milestone with it being 90 years since the first speedcar races were held in Brisbane and Queensland. It was February 22, 1936 at the Brisbane Exhibition Grounds when a group of drivers from New South Wales were joined by a couple of Englishmen and established the sport we still enjoy.

The cars of that period were very basic utilising parts sourced from car wrecking yards. Over the years teams became very resourceful fabricating parts to make their equipment both faster and more reliable. In today's world most parts are factory made which means they are readily available.

Over the years hundreds of men and women have raced at tracks around the state. Many Brisbane drivers have also raced successfully interstate including national champions Blair Shepherd (1969), Bob Morgan (1970), Ron Wanless (1978 & 79) and Jim Holden (1985).

Prior to 1971, speedcars raced without roll-cages which made the sport very dangerous. Over the years the introduction of cages, high bar chassis, five-point harnesses, full face helmets, fire retardant clothing, neck and arm restraints, bladdered fuel tanks and driver containment seats have helped to make the sport a lot safer.

Racing a speedcar in a tight pack of cars at speed takes a lot of skill and daring. With a short wheelbase they are very twitchy and with no added downforce it requires a lot of finesse to control the 350+ horsepower and still get the best out of the car.

We are fortunate to have many drivers racing here who, at a relatively young age, are very skilful. To see the likes of Harry Stewart, Scott Farmer, Rusty Whittaker, the O'Connell brothers, Casey and Cody, Dylan Menz, Tom Clauss, Darren Vine, Scott Doyle and the rest in action on the high banks is a thrill a minute.

The Australian Championship was held at Simpson in country Victoria last weekend and after starting from P 10 Harry Stewart battled his way to the front with twelve laps remaining only to hook the cushion a couple of laps later and roll out of the event. Kaidon Brown (NSW) went on to back up his win in 2025 and giving him three in total.

Enjoy your night at the skids.
