The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

LAP AROUND THE TRACK – 2 & 3 MAY REVIEW

Written by Dave Budden from Hi-Tec Oils Toowoomba Speedway

Twins are too terrific, and the Twin Australian Titles at Hi-Tec-Oils Speedway Toowoomba certainly were. Mother Nature may have won on Saturday night with numerous rain delays and the postponement of the last few rounds of heats. They were rescheduled for Sunday night. Sunday night was a different story with a warm night and no rain in sight, and they didn't disappoint. Huge thanks to Ryan Harris and his team for not giving up, likewise David Whell and the hours put in keeping the track racey under very difficult circumstances.

When the V8 Dirt Modifieds rolled out for the Sweetacres Speckle Park Australian Title and formed up, we knew we were in for a treat. Seiton Young would start alongside Kevin Britten, who has won the title more than anyone else, defending his 6th National Title. Chris Corbett has a habit of starting near the front of the Australian Titles. He formed the second row, two-time National Champion David Clark, alongside him. Young got the better of the start, but it didn't take long for Britten to drop to the bottom and into the race lead. Shortly after Britten, having a moment, the car pushed up the track and bumped the wall, giving Young and Clark the opportunity they were looking for. That saw Britten drop back to 6th. At the front, the race was on with Clark all over the back of Young, with Brock Gardiner, Kurt Wilson and Britten were in the mix. Gardiner drops to the bottom as Wilson elects to stay high and closes in on Clark. By this time, Britten had moved to 5th after he and Corbett raced side by side two laps prior, as Gardiner bumped the wall and would take no further part in the race due to a flat right rear tyre. He was running 3rd at the time. Kurt Wilson tries a slider on David Clark and couldn't make it work as Clark accelerates away next time around. Wilson has a moment as he brushes the wall. Britten is also involved in that; luckily, his race didn't end there. At the front, Clark was throwing all he had at Young, and the race fans loved it, wanting more. At this point, Zac McDonald had moved into third, and Britten was back to 5th. Lapped traffic was now starting to enter the equation as Young weaved his way through with Clark in pursuit. Clark has a big look down the inside with 8 laps left to run and levels up as again lapped traffic came into play. Clark, having to roll off the throttle, switches to the top and starts to wind up momentum again, racing side by side. At the chequered flag, Seiton Young would win the 2026 Australian Title superbly in traffic, not putting a foot wrong all race as he stamped his name into Australian Speedway history. Seitons' father, Trent, won the crew chief award. A hard-charging David Clark would finish second, Zac McDonald third after coming from position 10. Defending Champion Kevin Britten would eventually finish 4th while setting the fastest lap of the race of 13.564. Noah Douglas would win Australia 1 in the Sportsman category.

The Late Model National Championship feature race will be one that will be talked about for years to come. No one could have predicted the outcome or how the race was to unfold after 40 laps of pure Speedway entertainment. Todd Bayley earned his right to start on the front row surrounded by Australia's best. Callum Harper was there, as were Darryl Grimson and Warren Oldfield. Bayley got a lightning start and leapt to a two-car lead momentarily as Oldfield pulled up alongside Harper. It was a busy midfield also as they raced three wide as Jordan Cunningham raced wheel to wheel with Peter Nicola. The first five cars in a race of their own, Bayley, Grimson, Oldfield, Harper and Ben Nicastrì, setting a cracking pace. Harper drops to the bottom and fires a shot at Oldfield, who, in turn, has a big look underneath Bayley for the lead as Lachlan Onley makes the bottom work and starts to move forward. At around this time, defending National Champion Kye Blight had us all a little excited as he started to move forward quickly. He and Cunningham were racing hard for track position as the lead cars entered lapped traffic. Blight moved into 6th.

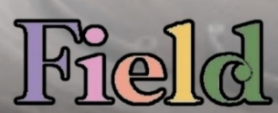

Bayley is still in front as Harper made a move on Oldfield on the bottom. Oldfield has plenty of pace on the top and dives back around Harper. Deep in traffic, Blight goes past Harper racing 3 wide for third in the Australian Title. The best was yet to come; all eyes were on the young Western Australian, he was on a mission, the podium in sight. While this was happening, Oldfield was all over the back of Bayley as Blight was trying to make the top work. With 10 to go, Blight had made his way to second and started to pressure Bayley, searching high and low for the fastest line. With two to go, Blight has a big look down the inside of Bayley and takes the lead. Bayley fires a shot back and levels up as traffic slows them both. Blight, throwing caution to the wind, drops to the bottom and back into the race lead, which had the crowd on their feet. Was it luck, quick reflexes in traffic or a combination of the two, or just meant to be. What it was, was a brilliant drive from position 15, making the most of every opportunity to win back-to-back Australian Titles. Todd Bayley would finish second, and Ben Nicastrì 3rd followed by Warren Oldfield and Callum Harper. Toowoomba's Jordan Cunningham finished 6th in a commendable drive amongst Australia's best, a sign of things to come.

Congratulations to Kye Blight and Seiton Young and your entire teams on winning your respective National Championships, well deserved.

SPEEDCAR SCENE

Written by Barry Lane from Queensland Speedcar Racing Association

50-lap speedcar races have been held in Queensland on and off since 1947. The initial race was won by Sydney driver Kev Gallaher in a car powered by a V-Twin motorcycle engine. It was a gruelling race at that time as most races were only 10 laps in distance. It was surprising that the tyres lasted as they were only 4" (100mm) wide and were made for farm machinery, not racing.

From the 1960s through to the mid-80s, American drivers would contest the annual 50-lap 'World Championship'. It was not a 'World Championship' in the true sense of the word but it did attract the internationals and top drivers from around the country. When, you look at the list of winners, it includes Americans Bob Tattersall, Jim Davies, Larry Rice, Ron 'Sleepy' Tripp, and Merle Bettenhausen. The late Blair Shepherd was the first Brisbane driver to win this race (1965) and was joined by Bill Goode, Ron Wanless and Jack Berry amongst others.

The 50-lap race was resurrected at Archerfield in 2008 as a stand-alone event and has seen the best of the best in Australian and New Zealand crowned the winner. Adam Clarke (2), Nathan Smee (4), Matt Smith and last year's winner Kaidon Brown with two have a couple of things in common; from New South Wales, all been Australian Champions and all won the 50-lapper. New Zealand has been well represented with Hayden Williams, Kaleb Currie, and Michael Pickens all winners. Pickens' win was epic as it was the last meeting ever at Archerfield.

At this point Darren Vine, 2017, is the only Queensland driver to win his hometown race and will line up again this year and joining Hayden Williams, who will team up with Sydney car owner Andy Hassan, to try and win their second.

Two Victorian drivers will contest the event for the first time, Nick Parker and Travis Mills. The Toowoomba high banks should not worry them as they have raced at Warrnambool which is similar. Parker has finished on the podium of the Australian Championship the last two years and performs well wherever he races.

A sincere thanks to all the \$100 per lap sponsors who added \$5000 extra prizemoney to the purse. It is greatly appreciated.

Enjoy your night at the skids.
