The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

WELCOME

WELCOME TO HI-TEC OILS TOOWOOMBA SPEEDWAY

On behalf of our entire team, it's my pleasure to welcome you to Hi-Tec Oils Toowoomba Speedway for a very special weekend as we celebrate the first event of the season that marks 50 years of speedway racing here at Charlton.

For half a century, this venue has been filled with the sights, sounds and memories of speedway. Generations of competitors have raced around this famous clay oval, while thousands of families and race fans have filled the hill and grandstands to be part of the action.

This season is about much more than what happens on the racetrack. It's about recognising the incredible people who have contributed to Charlton over the past 50 years — the founding members and pioneers, competitors, officials, volunteers, sponsors, supporters and loyal fans who have all played a part in making this venue what it is today. We are incredibly proud to be the current custodians of a venue with such a rich history, and equally excited about what the next chapter holds. Our commitment remains to continue improving the facility, delivering major events and ensuring speedway racing at Charlton remains strong for generations to come.

For Sprintcar racing this weekend is extremely important, as it signals a critical lead up event to the Nutrend Homes Australian Sprintcar Championship that will be held right here in Toowoomba for the first time in history on 20 & 21 November. A star studded field has assembled here this weekend for the opening two nights of the SEDL Earthmoving Thunder on the Downs that doubles as the opening two rounds of the Queensland Speedway Spares Ultimate Sprintcar Championship.

As you can all see there's been a lot of work happening around our beautiful venue during the entire four month "break". We are so proud of what we've been able to achieve thus far. To be able to reinvest into continuous improvements for fans, competitors and officials to enjoy around the venue is something we are proud to continue to do, so thank you to everyone that has contributed to all these improvements during the off season.

To everyone who has travelled to join us this weekend, thank you.

Enjoy the racing, enjoy the memories and enjoy being part of 50 years of speedway at Charlton.
