The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

WELCOME

WELCOME TO HI-TEC OILS TOOWOOMBA SPEEDWAY

Welcome to another big weekend at Hi-Tec-Oils Toowoomba Speedway!

A quick recap of last weekend — Thunder on the Downs delivered two huge nights of racing, with two different Sprintcar winners and plenty of action across the program. Dylan Menz took out Night 1, with Brock Hallett and Lockie McHugh rounding out the podium. Night 2 saw Lockie McHugh take the win after an intense battle with Hallett, while Matt Dumesny completed the podium. McHugh's victory was a particularly special one, marking his 101st career 410 Sprintcar A Main win and his 36th at Toowoomba.

We also saw some great support-category racing, with Joel Berkley taking out Round 1 of the Rudd's Towing Dirt Late Model Allstar Series, along with strong performances across the Wingless, Formula 500s, Junior Formula 500s, Compact Speedcars and Modlites, particularly Dean Silcock and Jayden Hancocks drive in the Modlite feature race.

Looking ahead to this weekend, we are back for final two rounds of the SEDL Earthmoving Thunder on the Downs, which doubles as Rounds 3 & 4 of the Queensland Speedway Spares Ultimate Sprintcar Championship. Friday night will feature a big field of forty plus Sprintcars, along with Legend Cars, Lightning Sprints and the opening round of the Bully's Off-Road 4WD Dirt Masters Street Stock Series. Saturday night brings another huge program with Sprintcars and Legend cars backing up again, along with V8 Dirt Modifieds for the Super Rooster Classic and seventeen Modified Sedan for round 1 of the Toowoomba Steering & Suspension Smackdown Series.

There's plenty to look forward to across both nights, with some fantastic racing and a great variety of categories for our fans.

The team has put in a lot of work throughout the week to prepare and provide the most consistent racing surface possible. While the racing was certainly exciting last weekend, seeing the Saturday night Sprintcar feature rubber up after just five laps was disappointing for everyone, particularly as it's not something we're accustomed to seeing at Hi-Tec Oils Toowoomba Speedway.

We're looking forward to this weekend and to showcasing the hard work that has gone in behind the scenes to deliver another great couple of nights of racing. Thanks everyone for your continued effort and support.

TRACK TALK

WRITTEN BY DAVID BUDDEN

It was a weekend of twos, two different nights, two different race tracks with character and two different winners. On Friday night in qualifying Michael Stewart set a quick time stopping the clock at 10.763 seconds while Jy Corbet was second quickest at 10.850 from Daniel Sayre at 10.855 then Dylan Menz stopped the clock at 10.878. On a fast and character-building track there was less than half a second between the quickest seventeen cars, while just 0.940 separated the top 30 cars in a field of 34 indicating just how close the night was going to be.

Brody Appleby got a dominant win in the B-Main ahead of Aaron Kelly and Marcus Dumesny with Tarhlea Apelt in a determined drive to finish in fourth. Cody Maroske crossed the line fifth for the final transfer spot into the main event. Dylan Menz won the Dash convincingly with Karl Hoffmans finished second ahead of Daniel Sayre and Jy Corbet.

Night one of the Sedl Earthmoving Thunder on the Downs at Hi-Tec-Oils Toowoomba Speedway belonged to Dylan Menz who was on his A game from the start winning his heat and the dash a sign of things to come as he finished the night on the top step of the podium. Brock Hallett came from position six and was brilliant to watch in traffic as he crossed the finish line second ahead of Lachlan McHugh, coming from position thirteenth to finish third. He put on a show that had the crowd on their feet, that earned McHugh the hard charger award.

When qualifying got under way on Night 2 Lachlan McHugh set a quick time with a remarkable 11.114 sprint to the chequered flag on his second lap. Brock Hallett was second quickest stopping the clock at 11.256 and Jock Goodyer at 11.368.

Aaron Kelly took a brilliant win in the B main ahead of Brody Appleby and Dylan Menz, who came from fourteenth to lock himself into a transfer spot. McHugh dominated the Dash, taking the win ahead of Brock Hallett and Jock Goodyer.

McHugh and Hallett would start on the front row of the A Main with early leader Hallett in control for most of the 35 lap race. Hallett looked good on the bottom moving around through lapped traffic while McHugh ran high through turns three and four lap after lap searching for a way past. The pace was intense as the two were in a race of their own with five laps to go, the opportunity that McHugh was waiting for happened midway between turns one and two. Hallett drifting a little wider than he had done on previous laps was enough for McHugh to drive past and into the race lead, the result would make 36 A Main wins in Toowoomba and a total of 101 in his 410 Sprintcar career so far. Matt Dumesny would finish third to round out the podium after an impressive battle with Jock Goodyer as the laps wound down. Brock Hallett and GW Racing have the mark of consistency so far this summer with five nights of racing completed and five times on the Podium.

TRACK TALK

WRITTEN BY DAVID BUDDEN

Joel Berkley and Toowoomba's Jordan Cunningham earned their right to start on the front row of round one of the Rudd's Towing Dirt Late Model Allstar Series. Berkley got the better start as the race settled into a rhythm with Berkley out in front from Cunningham and Jai Stephenson. After missing a heat race earlier in the night Tasmanian Ellis Dickenson found some pace and had moved into position four after a race long battle with Nathan Battersby and Carter Armstrong on occasion racing three wide before moving to the high side and squeezing past. At the front Cunningham was under pressure from Jai Stephenson at half race distance Stephenson briefly finding himself in second as Dickenson tries to sneak up the inside as Battersby moves to the high line searching for a way through. Bryce Lack made his way back to 5th after a spin earlier in the race. At the chequered flag Berkley who set quick time earlier in the night of 13.803 never put a foot wrong taking a dominant win from Jordan Cunningham and Jai Stephenson.
