The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

WELCOME

WELCOME TO HI-TEC OILS TOOWOOMBA SPEEDWAY

Welcome to what promises to be a terrific instalment of the next Queensland Super Sedan Title. The Queensland Title is a blue-ribbon event steeped in tradition, first contested back in 1974 when Allan Butcher took the inaugural title this weekend, more 25 cars will take to the track, with teams travelling from across the country in pursuit of Queensland number one glory.

Looking down the nomination list, you could easily be mistaken for thinking this was an Australian Title, with drivers travelling from Victoria, Western Australia and Tasmania. That's the attraction of the Clay-Per-View Queensland Super Sedan Title — it's an event teams right across the country take seriously. Current Queensland Champion Brad Pascoe will be looking to add another chapter to his already impressive record, but he'll have plenty of competition, including back-to-back Australian Champion Joel Berkley, former champions, national champions and some of the country's best Super Sedan drivers.

There's plenty more happening across the program, with the opening round of the Engage Ag Production Sedan Champions Series powered by Steering & Suspension Warehouse, Round 2 of the Bully's Off-Road 4WD Street Stock Dirt Masters Series, the opening round of the Toowoomba Couriers & Transport Junior Sedan Club Championship and the 6th Annual Highbanks Shootout for Formula 500's and Junior Formula 500s being presented by SRV Roadfreight and Global Engineering.

It's a massive night of Speedway, with something for everyone.

A special thank you must go to our incredible volunteer officials, crash crew, Fire & Rescue and First Aid teams, who responded so professionally and swiftly to the horrific Saller Attard incident a fortnight ago. Their training, teamwork and calmness under extremely difficult circumstances was outstanding, and once again showed just how important these dedicated people are to our sport. We simply cannot thank you enough for the job you do every race night.

To all the competitors, teams, officials, volunteers and supporters — welcome to Toowoomba. We hope you enjoy the racing, the atmosphere and everything that makes a Queensland Title weekend so special.

Good luck to all competitors, and most importantly, enjoy the night!

TRACK TALK

WRITTEN BY DAVID BUDDEN

Lachlan McHugh took the win in round three of the Sedl Earthmoving Thunder on the Downs Sprintcar Series at Hi-Tec-Oils Toowoomba Speedway on Friday night. Randy Morgan, in his season debut, fought his way to second before challenging McHugh for the race lead, but crossed the line second with Michael Stewart rounding out the podium. Dylan Menz, who made his way to third before he faded in the final few laps to complete the top five. While Harry Stewart, also on track for the first time this summer, started twelfth in the A Main, he charged home to finish a credited sixth, taking out the Axiom Hard Charger Award.

Earlier in the night Dylan Menz stopped the clock in the first round of qualifying with an impressive 10.757 second lap ahead of Michael Stewart 10.762 and Liam Williams 10.778. Nicholas Whell 10.917 and Jock Goodyer 10.952. Liam Williams would later win his first Sprintcar heat race. Lachlan McHugh set overall quick time with a 10.721 second lap ahead of Kobi Wright 10.824, Jy Corbet 10.898, Brock Hallett 10.963 and Lachlan Paulger 10.986. Just 0.771 of a second separated the top seventeen cars. One of the outstanding heat races from Friday night was the third heat of the night. Tarhlea Apelt had an outstanding drive to defend her third place finish from Micheal Saller. Jy Corbet would win the race from Lachlan McHugh.

The following night Lachlan McHugh again set a quick time of 10.825. In the next group of drivers to qualify saw Liam Williams stop the clock at 10.937 ahead of Aaron Kelly 10.943, Max Guilford 10.960, Dylan Menz 11.056 and Glen Sutherland 11.168. Tarhlea Apelt had a good weekend and was on her A game, unstoppable in the B-Main taking the win in a career highlight. Brodie Davis would eventually finish second ahead of Jason Faint, while Brock Hallett had the crowd on their feet in a determined drive from the rear of the field to secure the fourth and final transfer spot to lock himself into the main event.

Michael Saller and Jessie Attard rode out a wild crash while battling for second, with Saller's car ending up consumed in flames after rupturing the fuel cell as it bounced off the catch fence. In an ultimate act of sportsmanship Attard unbuckled his belts and raced from his car directly into the flames to assist Saller out of his burning car. Both drivers walked away and were cleared by paramedics. Special thanks to the Hi-Tec-Oils Toowoomba Speedway crash crew and first responders who were the first on the scene.

However, the weekend belonged to McHugh winning back-to-back A mains and his seventh Thunder On The Downs feature race win. Jock Goodyer finished second after a faultless drive from position nine, he and Henry Titman arguing over position throwing numerous sliders at each other. Titman finished a very impressive third after holding second for most of the race. Randy Morgan and Michael Stewart rounded out the top five.

TRACK TALK

WRITTEN BY DAVID BUDDEN

Harry Stewart had a solid weekend being one of only a handful of drivers to make the dash on all four nights. Brock Hallett secured the deserved Axiom Hard Charger Award for advancing from twentieth to eighth in the A-Main. In a brilliant drive through traffic in both the A and B Mains. He had to come from eighteenth in the B to the final transfer spot to secure a place in the main event.

After round four of the Ultimate Sprintcar Championship Lachlan McHugh sits on top of the leaderboard from Jock Goodyer and Henry Titman. Randy Morgan and Michael Stewart complete the top five.

The Modified Sedan feature race was entertaining to watch with action a plenty during night one of the Toowoomba Steering and Suspension Smackdown Series. Shane Macdonald started on the front row alongside Charlotte Christensen. Tim Atkin and Nathan Macdonald shared the second row. Aidan Raymont who earlier in the night won the dash rolled the dice and put himself out of position five for the feature race Joel Berkley concluded the top six. Shane Macdonald set the pace early as they raced three wide as Raymont sneaks up the inside of Atkin while that was happening Nathan Macdonald moved into second over the next few laps the brothers ran wheel to wheel and the crowd loved it. Modified Sedan racing at its best as Raymont switched to the high line around Christensen in pursuit of the McDonalds levelling up with Nathan and moving forward on Shane. Current Queensland Champion Chris Pagel is in the mix also. The two brothers made contact after gearbox failure in Shane's Commodore giving Raymont the opportunity he was looking for switching to the high line and into the race lead Nathan wanting no part of that goes back into the race lead with nine laps left to run. Not long after Raymont was back in front, at the chequered flag Aidan Raymont took the win from Nathan Macdonald and Chris Pagel.

The V8 Dirt Modifieds produced some exceptional racing in the 25 lap Super Rooster Classic. Disappointment from the start Australian Champion Seiton Young out early with a flat right rear tyre. Which left Zeke Edwards the opportunity to lead the race from start to finish. Andrew Pezzutti, Kevin Britten, Geoff Phillips and David Clark the top five as the laps tick away. Britten makes the high line look easy as David Clark has a big look down the inside and makes it work and sets out after Pezzutti as he reels Edwards in at 1.2 seconds a lap. Further back Luke Dunn is closing in on Phillips with five laps still to run as Kevin Britten retires to the infield. Out in front Edwards was faultless, he drove a perfect race to win the 2026 Super Rooster Classic. Andrew Pezzutti was lucky to finish after the motor cut out just metres before the finish line either out of fuel or electrical issues. Geoff Phillips made a welcome return to racing after two years out of the driver's seat to finish a strong third. Matt Gordon got the double winning both nights of the Legend cars feature race from Scott Nichols on night two and Brock Thornton.

SSA SUPER SEDAN STATE TITLE: A CHAMPIONSHIP STEEPED IN HISTORY

WRITTEN BY RYAN HARRIS

The QSCA Inc. SSA Super Sedan State Title has produced more than five decades of competition, legendary drivers and unforgettable championship battles. Since the inaugural title at Bundaberg in 1974, the SSA Super Sedan State Title has been contested at venues across Queensland and, on occasions, attracted some of the country's best Super Sedan drivers from interstate. From Allan Butcher taking the inaugural crown to Brad Pascoe claiming the most recent title last season at Rockhampton, the championship's roll of honour reflects the depth and longevity of Super Sedan racing in Queensland.

MATTY PASCOE STANDS ALONE AT THE TOP

No driver has won more SSA Super Sedan State Titles than Matty Pascoe, who has amassed an outstanding eight championships. Pascoe's remarkable run began with victory at Maryborough in 2011 before further titles at Charlton in 2015 and 2017, followed by an extraordinary five consecutive championships from 2018 through 2022.

His eight titles place him clear at the top of the championship's all-time winners list and cap one of the most dominant periods in SSA Super Sedan history. Behind Pascoe, John Leslight (NSW) has six State Titles to his name, while Lyndsay Hawkings sits on five.

John Leslight's six victories came in 1991, 1992, 1994, 1998, 2002 and 2007, demonstrating an extraordinary level of consistency across more than 15 years. Hawkings enjoyed a particularly dominant period during the 1990s, winning five titles between 1995 and 2000, including three consecutive championships from 1995 to 1997.

A WHO'S WHO OF SUPER SEDAN LEGENDS

The championship's history is filled with drivers who became synonymous with the category. Wayne Randall claimed four titles, while Allan Butcher, Mal Hume, Rod Gough, Daran Munro and Michael Gee, among others, have all etched their names into the record books.

The modern era has added further chapters, with Darren Kane, Michael Gee, Peter Nicola, Callum Harper, Joel Berkley and Brad Pascoe among the recent champions. The 2026 championship saw Brad Pascoe claim his second State Title, adding to his 2023 victory at Toowoomba.

TOOWOOMBA LEADS THE WAY AS A STATE TITLE VENUE

Over the 53 completed championships from 1974 through 2026, the State Title has visited a remarkable number of Queensland venues.

Toowoomba has hosted the most State Titles, with ten events.

The Toowoomba-region venue has been a major part of the championship's history, hosting titles in 1977, 1978, 1991, 1993, 2002, 2004, 2012, 2015, 2017 and 2023 when Brad Pascoe took victory ahead of Callum Harper and Matty Pascoe.

Gympie follows closely with eight State Titles, while Rockhampton has hosted seven.

Maryborough has hosted six, Mackay five, and Cairns four. Bundaberg has also hosted four titles, including the inaugural championship in 1974 and the 2024 event.

Other venues to have hosted the prestigious championship include Archerfield, Gladstone, Collinsville, Kingaroy, Carina and the Brisbane Exhibition Ground. More than 50 years of champions

From Allan Butcher's inaugural victory in 1974 to Brad Pascoe's 2026 triumph, the SSA Super Sedan State Title has evolved through generations of cars, drivers and venues while retaining its place as one of Queensland's premier Super Sedan championships.

The roll of honour now spans 53 completed State Titles (which includes Open Saloons, Grand Nationals and Super Sedans, with this season's 2026/27 championship to be contested this weekend.

For more than half a century, the title has provided a stage for Queensland's best drivers — and interstate competitors — to chase one of the most coveted prizes in Super Sedan racing.
