The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

TRACK TALK

WRITTEN BY DAVID BUDDEN

For Toowoomba's Sean Black, there was never any doubt about the ultimate goal heading into last Saturday night's Queensland Super Sedan Title.

Like every driver in the field, Black had his sights firmly set on standing on the podium. That's exactly what he did all the way to the top step, Queensland One for 2026/27. He had been on the podium four times prior at different Queensland Titles but this was a career highlight, his first Queensland Title win and to do it on home soil at Hi-Tec-Oils Toowoomba Speedway was extra special. It was a gruelling 40 lap affair with numerous restarts and hard fought battles through the entire race. The focus was just as much on getting through cleanly.

It was a good weekend for Sean all round, from the moment the car rolled out onto the track for heat one he was on the pace winning his first heat, in the subsequent heats finishing fourth and second. He would qualify out of position three for the Feature race alongside Dylan Barrow. Zac Brims would start on the front row alongside defending Queensland Champion Brad Pascoe. Joel Berkley would start from position five alongside the man who has won a record number of Queensland Titles, Matt Pascoe a total of eight throughout his career.

When the race finally got going and they all settled into a rhythm the top six were starting to move around on a very challenging track especially through turns one and two. Black's car looking the better on entry and exit. The racing between Joel Berkley, Zac Brims, Todd Atkins and Brad Pascoe was exceptional and with Black in that company had the crowd wanting more. Although there wasn't much racing room left on numerous occasions the mutual respect shown is worthy of mention testament to what it meant to have the Queensland Title trophy in their trophy cabinets.

Considering the 20 car field was stacked with former State and National Champions, this year's State Title was always going to be hard to win and whoever won it was going to have to drive exceptionally well fighting for the desired outcome, to win it. It was a solid drive from Black determined not to let this one get away hitting his marks lap after lap. In the final few laps Black had moved to second and was closing in on race leader Zack Brims; his race would come to an unfortunate end when the wheel centre broke in those closing laps bringing on the yellows once again. Black's starts were timed to perfection throughout the race. Berkley and Atkins had a couple of big looks down the inside on occasions, however Black had the top racing line worked out and after a four lap sprint to the checkered flag and 40 consistent laps Sean Black etched his way into the record books winning his first Queensland Title followed by Todd Atkins who was earlier sent to the rear of the field. He charged back through the field to finish a well deserved second. Joel Berkley was next to finish from Trent Wilson and Will Hockley to round out the top five.

TRACK TALK

WRITTEN BY DAVID BUDDEN

To win his first Queensland Title brought a flood of emotion. Black thanked a hard working team and those who support this racing, quick to acknowledge the people who have made his success possible. "If it wasn't for Mum giving me the opportunity to do all this, I wouldn't be standing here now ". He said.

This win has been a long time coming for the family team based just outside of Toowoomba. Consistency and good preparation is proof that good things come to those who quietly go about doing what they enjoy ,racing a Super Sedan. Congratulations to the Sean Black Racing Team on a well deserved win. The SBR Team now turn their attention to Maryborough on October 24 for Round 2 of the McCosker Super Sedan Series.
